

# Why to use Ceresit thermal insulation systems

**Henkel has 50 years of experience** with Ceresit ETIC Systems. Already, a few thousand buildings all over the world have been insulated with the help of our systems. That is an excellent reference for our products, which proves the superb quality of the solutions offered. All this time the Henkel Research and Development team has been working on new solutions and formulas and also on constant improvements to the existing products. We introduce more and more types of adhesive mortars, plasters and paints as well as offer an extensive colour range plus different textures.

Our products and systems are constantly supervised for their compliance with international standards such as ISO 9001, ISO 14001, ISO 18001, AQUAP by the Quality Control Department at our own Central Research Laboratory. The

Laboratory has been certified according to ISO/IEC 17025, which means the highest European standards both in terms of functionality and security are met.

Ceresit cares about the quality of the products, as well as their correct application, therefore the company invests in knowledge transfer and the training of construction companies, and thus constantly increases the level and quality of the work.

High quality products combined with the execution at a high level are the basis for granting warranties for using

Ceresit thermal insulation system solutions.
